

HI.

My Name is Kerwin MARK

~~I was~~

I got Injured on a job in the yr 2000, luckily A friend of mine, introduced me to the law office of Kenneth W. I think I must say it's one of the Best Decision I have ever made in my life, they were there from start to finish keeping me informed every step of the way, I must say Being Injured and having to worry about that, I was Glad that they were there for me, and I wouldnt have it any other way.
