

With high estimation and tenderness toward lawyer
Kenneth A. Wilhelm,

First of all I would like to tender my thankfulness to you
all. You helped me and my family right time and right
place. I really appreciate of all what you have done.

You helped to solve my case easily and fast, and your
agents were kind and helpful to us every time. My family
members were satisfied with the quality of service and law
support.

Among many law offices and attorney you proved yourself
as the best team. Personally for me, working with you was
very pleasant since highly-qualified lawyers were
competitive in every aspect of issue.

Wish you good luck in helping people as did in my case.

Sincerely,

Shamilyan Mnatsakan
