

To prospective clients,

I am writing on behalf of my mother who suffered her very first fractured bone as a result of an accident in 2009. She was incredibly lucky to have found such an amazing attorney as Kenneth Wilhelm. He guided her through every step of this unfortunate and foreign to her experience with utmost respect, knowledge, and kindness. Mr. Wilhelm and his very caring staff were always available to discuss the case and provide us with their evaluation to enable us to make the right choice in settling the matter. Needless to say, my mother was very pleased with the results of the settlement without having to go to trial! Should the need arise, my mother and I will go back exclusively to Mr. Wilhelm. We will also endorse Mr. Wilhelm and his law firm over and over again should anyone need attorney services in New York area.

Y.K.
